Buford has suggested, Paul --

-- that I send you all of the information we have kept
on persons who are on the confidential files of the Boy
Scouts of America from our council.

Evidently there is a concern that if someone showed up
and asked to see the files we would have to show them.
I'm sure some of the information enclosed is already in
your files; however, I am forwarding them just in case.

Hope this doesn't cause you too much inconvenience.

Dear Bob:

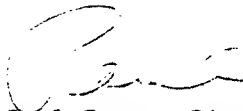

Thank you for the information which you recently sent us concerning Scott Lokken. This will be most helpful to us as we establish a confidential file.

We would like to have more information if you have anything available concerning this situation. Was there any legal action which took place? Was Mr. Lokken brought to trial? If so we would like to know the outcome and any sentencing.

It would also be helpful if any other individuals were involved to know their names or have statements from them. This would help to strengthen our files for future refusal.

Thanks for any help you can give me.

Dear Paul

On May 1, 1986 Scott Lokken was sentenced to three years probation and one year confinement in the Orange County jail. He entered a negotiated guilty plea to a felony 288(A).

There is a possibility that he will be allowed to work during the one year confinement, spending his nights and weekends in the Orange County jail. He must also register as a sex offender and for the next three years cannot be in the presence of any children without another adult being present.

I hope this is enough information for your files.

Dear Paul:

I spoke today to Judge Harmon Scoville, Superior Court Judge for Orange County, about Scott Lokken.

Scott has been charged with three counts of lewd and lascivious conduct with a minor and will be sentenced on March 20, 1986. He has pleaded no contest to one count which means they will probably dismiss the others.

Scott Lokken's criminal file number is 58365, Superior Court, Orange County, California.

Hope this gives you what you need.

Dear Mr. Lokken:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have the decision reviewed, please write to me explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely,

W. Robert Booker
